Dear sir/ma'am

We are both proud and privileged to announce that MAAHI ENTERPRISES is now expanding its horizon by entering into the world of minimally invasive surgery with the introduction of our daughter company, "Mediscope tech".

Mediscope tech will be dealing in all kinds of surgical equipments such as-

- **Laparoscopic Tower containing following items, Camera, monitor, light source & specific Endovision system compatible with 4k.**
- **Complete range of Laparoscopy hand instruments.**
- **T.U.R.P. Set (Cystoscopes, Bipolar working element, Resectoscopy sheath, Monopolar/Bipolar HF cable, Bipolar cutting loop, Collins knife, Elik Evacuator)**
- **Complete Hysteroscopy set**
- **Complete range of Arthroscopy instruments**
- **Bronchoscopy Instruments & Nephroscope**
- **Endoscopy OPD unit**
- **ENT OPD unit**

Our goal is to provide you with high quality surgical equipment with an economical price range and to give you timely supply and quality after sale services.

We profoundly request you to please send us your requirement so that we can provide you our quotation(s). Live demo may be arranged on demand. We will feel obliged if an opportunity to serve is occasioned to us by your esteemed organization.

Your satisfaction is our top priority & basic business ethics. Your patronage shall decidedly enthuse us for still more dedicated service.

With warm regards,

Yours truly,

MEDISCOPE TECH
